

In this course you will be using MasteringEngineering, an online tutorial and homework companion to your textbook. Here's how to get started!

## 1. Register for MasteringEngineering

*These instructions are accurate at time of printing. Your experience may vary slightly.*

Go to [www.masteringengineering.com](http://www.masteringengineering.com) and click **New Students** under Register.

- To register using the Student Access Code located inside the MasteringEngineering Student Access Kit, click **Yes, I have an access code**. –OR–
- **Purchase access online:** Click **No, I need to purchase access online now** and follow the on-screen instructions to purchase access using a credit card or other method.

\*Create a Login Name

\*Create a Password

\*Re-type Your Password

- *Not Sure* - Enter the email address associated with your Pearson Education student account and click **Search**.

### Access Code

- Type your six-part student access code, one part in each box. Don't type the dashes. *Once you register for this site, you will not need this access code any longer.*

\* Access Code  
cited - atopy - new - - -

### Personal Information and Security Information

- Enter your first and last name, as well as a valid email address that you check regularly. *Your registration confirmation will be sent to the email address you provide.*
- Enter the requested information to help identify your school location.
- Select a security question and enter the answer. *This question is used in the event that you contact us and your identity must be confirmed.*

Click **Next** (only once!) to submit your registration for processing, which takes just a few moments.

### Confirmation & Summary

A confirmation page informs you of the site(s) you have access to and that you will be receiving a confirmation email. *The confirmation email contains your login name and password for your reference. Your subscription to MasteringEngineering is good for 12 months from the time you first register.*

## 2. Log in to MasteringEngineering

Log in to MasteringEngineering as follows:

- *If you are continuing from the Confirmation & Summary page (from last step in previous section):* Click **Log In Now**.
- *If you have left the Confirmation & Summary page, you can log in later:* Go to [www.MasteringEngineering.com](http://www.MasteringEngineering.com), enter your login name and password, and then click **Log In**.

## 3. Enroll in your instructor's MasteringEngineering course

You will now need to log in to MasteringEngineering and enter your instructor-specified Course ID and Student ID. Doing so enrolls you in your instructor's MasteringEngineering course so that you can view class assignments. (*If you don't have the Course ID information yet:* You can enroll later by logging in and clicking **Join Course**.)

### Join Course

- Enter the **Student ID** according to instructions from your instructor. You can safely ignore this field now if you haven't been given information about a Student ID.
- Enter your instructor-provided **Course ID**. *The Course ID field is not case-sensitive, so you can enter either lowercase or uppercase characters. Make sure you type in the exact Course ID the professor gave you so that you enroll in the correct online course. If you get an error message, please confirm with your instructor that he or she has enabled student enrollment for this course.*

Student ID:	<input type="text"/>
Course ID:	<input type="text"/>
REQUIRED: please enter Course ID provided by instructor.	
<input type="button" value="Save"/>	

- Click **Save and OK**.
- Congratulations! You have completed registration and have enrolled in your instructor's MasteringEngineering course. To access your course from now on, simply go to [www.masteringengineering.com](http://www.masteringengineering.com), enter your Login Name and Password, and click **Log In**.
- *To view your instructor's assignments:* Click **Assignment List** on the left.
- *To view self-study resources:* Click **Study Area** on the left.

## 4. MasteringEngineering contains a Study Area

Upon logging in for the first time, select the title and edition that matches your textbook. Then, click **Go to Study Area**. Click **Study Area** on the left to access resources available for your textbook.
